Scoring:
Each hit to the body or head scores 10 points.
Hits to the arms score 5 points. Only two
headshots per target count for full points;
additional headshots are worth 5 points each.
The maximum score is 300 points across two
targets. A passing score is 210 points, or 70%.

SCORE: _____/300

LAPD Target Silhouette: 1/3 Target, 10"x6".

Phase 1 is shot from 7 feet. Fire 12 rounds in 25 seconds from the holster.

Phase 2 is shot from 10 feet. From the low ready position, fire 2 rounds in 2 seconds. Then fire 2 rounds to the left, 2 to the right, and 2 to the left again (6 rounds total) in 12 seconds.

Phase 3 is shot from 12 feet. From the low ready position, fire 2 rounds from the right side of cover, 2 from the left, and 2 more from the right (6 rounds total) in 15 seconds.

Phase 4 is shot from 17 feet. From the low ready position, fire 6 slow, accurate rounds from behind cover. There is no strict time limit, but focus on precision.
